WELCOME TO KEY LASER
THE CENTER FOR COSMETIC REGENERATIVE MEDICINE
Make THERMItight® One Of Your Choices

DOUGLAS KEY, MD
KEY LASER CENTER FOR COSMETIC REGENERATIVE MEDICINE
Portland, Oregon, USA
Scene: Patient, pointing to jowls and under chin

Patient: “I don’t like this! What are my choices?”

What’s your answer?
Everyday patients are coming to you having heard about

- Coolmini™
- Kybella®
- Ultherapy®
- ThermiTight®

Which do you choose?
Advantages

- Under chin fat

Disadvantages

- One size applicator
- Multiple treatments
- Cannot treat jowl
- Patient with laxity is not a good candidate
Before and After

CoolMini™
